Reaching Out to *Compassion Kids*

Dear Friends and Partners,

Greetings from Haiti. *Compassion-Haiti* recently entered an agreement with us to show *The GodMan* to 50,000 of its sponsored school children in Haiti.

We were invited to show the film to 23 project coordinators (above) who in turn will deliver DVD's of the movie and instructions on how to use it as an evangelism tool to more than 200 of their after-school program directors throughout Haiti.

School Renovation in Miragoane

Lavon and Lynda Croskey (left back) are trusting the Lord to raise funds to renovate the two school buildings that are falling apart. Recently, we traveled together to Miragoane with an Engineer to develop plans and a budget for the project.

Praying for Project Funds

Please join us in prayer for a set of 16 batteries for our house inverter. Since most areas in Haiti only receive electricity about 4 hours per day, it is necessary for us to charge special batteries to provide power for our house. A set of batteries runs \$2,000 and lasts about 2 years. The current set is nearly 3 years old. Also, please pray for our monthly ministry funds which have been running a \$1,000 per month deficit since the beginning of this year.

Well Quenching Children's Thirst

The above pictures are worth a thousand words as we rejoice in the Lord's provision for the Miragoane well!

Murielle begins walking on her Own

Murielle (left) took her first steps without help as Dr. Cheri Kay watched. The nine year old almost lost her legs in the school collapse last fall. Please pray for her continued physical and psychological healing. Her younger brother died in the disaster and she is afraid to go back to school. Also, Dr. Cheri Kay recently took her two adopted children Ecrissa and Jaryse (right) with her to their new home in Michigan. Please pray for the family and especially for Ecrissa who is deaf and needs surgery on her ears.

Thanks for all you do to help in the Lord's work!

All our love, Dan, Liz & Joey
