Called to Reach Children

Dear Friends and Partners,

In 1985, eight year old Vionel Romelus began suffering from a very painful stomach ache. This went on for many weeks. His father, a "Servant of Spirits" in Voodoo, took Vionel to the temple to receive help. However, the spirits told him: "He's not ours, we can't help. Send him to the Protestants." Vionel's father sent his son to a Protestant church. After two weeks, Vionel's stomach was healed and he trusted Jesus as his Lord and Savior. Three years later when Vionel was 11, his father became very sick with pain throughout his body. This time the evil spirits told Vionel's father: "We can't do anything for you because your son is living in your house. You must send him away if you want our help." That day, Vionel's father left Voodoo and destroyed his idols. Then, he, his wife, and other children accepted Christ. Vionel's father eventually became a pastor and planted a church. Today, Vionel and his family continue to serve the Lord. God used the faith of an 8 year old child to bring a whole family to Christ!

As a young man, Vionel began serving in his congregation as a children's worker. Along with going to Bible School he also completed advance courses in Switzerland with CEF. (Child Evangelism Fellowship) Currently, Vionel works full time as a Child Evangelist in Cayes, Haiti. He trains CEF and One Hope partners how to evangelize and disciple children. (top left) He also travels as a guest evangelist to equip the Church how to minister to children. (top right) Finally, Vionel is a One Hope partner with a vision to see all of Haiti's children come to Christ. (above L&R and right)

Creole GodMan Speaks to Hearts

We were thrilled to receive the brand new language dub of the *GodMan* in Creole. The title in Creole is *LòmDye*. We finally have a language dub that speaks the heart language of all Haitians! More than 800 people attended the first outdoor showing in L'Arcahaie and 75 children and youth prayed to receive Jesus as Lord and Savior. Vionel introduced the film (above left) and the people watched very attentively. (above right) We would like to give a special thanks to Andrea Hibbs and Alex Sanchez of *One Hope* along with Carly and Rose-Mai Joseph of *Alabanza Productions* who together with a great group of Haitian Actors gave us a very professional dub. Please pray God would use this ministry tool to help many Haitian children understand the gospel!

Please Pray for God's Provision

Formerly, we announced plans to renovate two ailing school buildings to form a single building with 9 classrooms, a library, and a director's office. I underestimated the cost and apologize for this error. The Engineer has since given us an actual cost of \$51,000. Kids are attending school with badly cracked or missing walls. (top L&R) Dan talks with engineer Eddy Beneche and his forman about the worst of the two buildings. (above L&R) We have \$12,000 on hand. Please ask God to provide the remaining balance of \$39,000. If you would feel led to participate, you may do so by check or through *PayPal* on our website. Please denote "Miragoane School Project" on your check or on the *PayPal* page.

Thank you! We pray God will richly bless you this Christmas!

In Christ, Dan, Liz & Joey
