Walking Out God's Miracle

Dear Friends and Partners,

Greetings from Haiti. On January 31ST we celebrated 7 years in Haiti. We thank God and you for the ministry we've been given! 2Cor. 4:1,2

Since the school collapse last fall, we've had a great opportunity to show the love of Christ to 4 families that lost children and had others injured. Last month, we asked you to pray for 9 year old Murielle who is now beginning to walk again on legs that were severely crushed almost to the point of amputation.

God's miracle began when Dr. Margaret personally rescued Murielle (right) from the disaster and assumed round the clock responsibility for her care. Dr. Margaret is the same Haitian Surgeon that operated on Dan's back last year. She has shown great love to Murielle's family.

One day, while receiving care from Dr. Margaret, we learned that Murielle was struggling with learning to walk again. When asked to walk, she would scream and cry. Since our missionary friend Cheri Kay is a Doctor of Physical Therapy, we asked her to help. She was delighted and is now working with Murielle regularly (right) to help her continue walking out the miracle God is doing in her young life!

Ministering in the Collapse Zone

Jude, one of Dan's Bible Study members, invited us to share *The GodMan* film and distribute *The Book of Hope* at his family's church located in the same neighborhood where the school collapsed.

Jude (above left) and Petit handed out books and tickets for a drawing before showing the film. (right)

After the film, Moise gave an invitation for children to receive Jesus (left) and the Church invited the young believers to meet with a youth worker after service. It was a great night of ministry and fellowship for all!

Translating *The GodMan* to Creole

For several months a mixed group of volunteers, office staff, and professional translators have been working diligently to create the text that will be used to make a Creole language dub of *The GodMan*. Please pray for a strong finished work. Thanks for your partnership!

All our love, Dan, Liz & Joey
