Ministry Training by Bus and Boat

Dear Friends and Partners,

Greetings from Haiti. You will recall much of the country has been under water. We were very happy to be able to conduct a seminar in the southern city of Cayes by taking a boat across a flooded section of Haiti's National Highway.

After riding a bus for 2 hours, the training team dismounted and crossed the flooded section of road by boat. After a short journey, they mounted another bus for another 2 hours. Once in Cayes, they conducted a Book of Hope training seminar

These are the Children's workers who attended.

After two days of training, the group from 1st Baptist Church conducted their first Book of Hope Distribution combined with the showing of The GodMan film. Whenever possible, teams use the books and the film together for greater impact.

New Partners in the City of the Sun

We were recently invited by national workers from Child Evangelism Fellowship (CEF) to train some of their Children's Workers in Cité Soleil. Translated "City of the Sun," the area has never been a source of great light but rather of great poverty and violence.

CEF specializes in training Children's workers to develop neighborhood Kid's Clubs. Through workers like these above, they hope to touch 10,000 Cité Soleil children with the Love of Jesus before Christmas and begin using the Book of Hope as a curriculum.

Preparing to be Sent to Bolivia

In 2002, Liz's friend Evelyn (purple shirt) was full of fear and worry. After accepting the Lord, she asked Liz and Yorlenny to begin the Spanish Ladies Bible Study. Today, Evelyn is a beautiful Child of God with boldness to teach His Word. Recently, Evelyn's husband accepted a UN contract in Bolivia. Please pray for this precious lady and her family as they move on.

God has recently given us a Web site. Visit us at: www.livingstonehaiti.com Thanks for all you do to help!
