Gonaives Flood Emergency

Dear Friends and Partners,

Greetings from Haiti. We returned August 20th after a wonderful summer visiting many of you. It's great to be back, however our hearts are heavy due to a great crisis in our midst.

Just a few days ago, Tropical Storm Hanna stalled north of Haiti and pounded the country with heavy wind and rain. One of the cities most greatly affected by the resulting flooding was Gonaives, (above) the home of many "Book of Hope" Partners.

Many people have been forced to leave their homes carrying little or nothing. (above) Minimal aid has arrived since Gonaives is a port city that sits below sea level. God willing, access will be possible in a few days. We feel led to begin preparing to send emergency relief supplies to help our partners in need. If you would like to participate in this special emergency flood relief fund, please join us.

How to Participate in Flood Relief

As soon as the water recedes enough to reach the city, we would like to deliver food, water filtration, clothing, and household supplies to our ministry partners to distribute accordingly to people in need. We will purchase everything in Haiti to speed procurement and delivery. If you would feel led to participate in this special project, please make out your *check to "Living Stone Ministries" and write "Flood Relief" in the memo section. Mail check to:

Creole Translation Team in Action

Over the last several months a group of translators (above) consisting of Living Stone interns, volunteers, Assemblies of God leadership as well as missionaries and professionals have been working to prepare a very special children's book called the ERE. (Early Readers Edition) The book was translated from English to Creole and is designed for children ages 3 to 7. Our prayer is that this ministry tool will help young Haitian Children learn to read and learn to trust Jesus as Lord!

Thank you for your partnership with us in the Lord's work in Haiti. You are special to us!

All our love, Dan, Liz & Joey
